## 2025 MOCP Annual Report

As we reflect on the incredible progress made throughout 2025, we are reminded that none of it would be possible without your generosity. From feeding hundreds of children each week to empowering young women and supporting university students, your gifts have transformed lives. Yet the need remains urgent. Rising costs, unpredictable harvests, and growing demand mean we must rely on continued financial support to sustain and expand this vital work. Your partnership is not just appreciated — it's essential. Together, we can keep hope alive in Kanyenyeva.

**The Feeding Program** averages 900 children and fluctuates between 4 and 6 days per week.

**The Farm** continues to mature, this year harvesting 60,000 lbs. of corn, of which 20,000 lbs. was sent to the project to support the feeding program. The last phase of the irrigation installation for the banana trees is close to completion. And the blue gum trees are growing!

Maize collected in 50 kilogram bags being transported and distributed at the project.

**High School** support has increased to 88 students this year with all students receiving new bookbags.

**Our Boarding School Program** now has 12 girls enrolled aided by a generous donation of financial support.

**We support four University students** and one additional student finishing his thesis project. All are supported by donors committed to providing four years of college.

**The Maize Mill** continues to operate at the project. It supports the feeding program and offers the milling process to regional villagers.

**Kanyenyeva Wala** continues to fulfill orders for Days for Girls Kits and supplies kits for girls in local communities.

**A Mission Team** taught a four-day Bible School during their June visit. They also purchased and VACCINATED 300 chickens at the project!

**We need your continued support for these programs to continue and thrive. Please consider a donation before the end of 2025 to help maintain the development of the orphan project.**

**Thank you for your continued support that has made all of this possible!**

Ongoing donations may be made through our website at [www.4malawi.com](http://www.4malawi.com) or by mailing a check to:
