Transition Steering Team Update

The Transition Steering Team continues to meet every Tuesday evening at 6:30 p.m. as we work through the pastoral transition process.

This week, the team focused on finalizing questions for a congregational survey that will help us gather your thoughts and insights about what you believe is most important for keeping our church healthy, vibrant, and vital for the future.

The survey will be distributed by email at the end of this month. Printed copies will also be available for those who do not use or prefer not to use email, ensuring everyone has an opportunity to participate.

Your input is an important part of this process, and we encourage everyone to complete the survey when it becomes available. More information will be shared in the coming weeks.

Special Meeting of the Congregation

Sunday, July 12, 10:45 a.m. in the Sanctuary

The meeting will be to discuss and vote on the offer St. Joseph's Catholic Church has extended to Immanuel regarding the grass filed on the south side of our parking lot.

All members are encouraged to attend the meeting and offer questions and input on this proposal. We must have a quorum of the membership to conduct a vote so your attendance is important.
